DISCIPLINE POLICY

The goal of discipline is to help the child develop self-control and move toward appropriate social behavior. Examples of developmentally appropriate methods utilized for resolving conflicts are:

Positive Guidance – When disputes arise among children and staff, the staff will encourage a “talking out” process where the goal is to review with the child why the behavior was unacceptable and help the child to acknowledge feelings and find solutions using the child’s ideas where ever possible. The child will be taken to a quiet area.

Setting Clear Limits – Staff will encourage and model positive behavior, positive reinforcement, the use of peer support and clearly defined rules.

Teachers will help children feel good about themselves and behave in responsible ways.

Redirection – The teacher and the child will discuss and decide when the child is ready to rejoin the group in a positive manner.

A child who may be aggressive or who is disruptive or destructive of other children’s work may be asked to make an activity choice in another area.

Staff will continuously supervise children during disciplinary actions.

Parents will be notified if the child requires a behavior management plan. The director, teachers and parents will work together to design a plan to ensure success for the child.

Staff shall not be abusive, neglectful or use corporal, humiliating or frightening punishment under any circumstances. No child will be physically restrained unless it is necessary to protect the safety or health of the child or others, using least restrictive methods, as appropriate.

PESTICIDE ACKNOWLEDGMENT

I acknowledge the fact that CLC may periodically need to treat the church building and grounds with pesticides to extinguish any pest issues that may arise. I understand that all attempts will be made to have any required treatment done while school is not in session.
